3 minutes, 33 seconds

support from peers and families, support from community, and the grace of God.

8:26

8 minutes, 26 seconds

That's pretty cool. That's a cool picture. Oh, yeah.

8:40

8 minutes, 40 seconds

Yeah. I didn't know he grabbed the chair.

8:49

8 minutes, 49 seconds

I hope so. Don't try to sit in now. Don't sit down then.

8:53

8 minutes, 53 seconds

I'm not going to sit here.

9:00

I'll try.

9:08

10:18

10 minutes, 18 seconds

Okay,

10:20

10 minutes, 20 seconds

I got Jennifer Bars. We doing anything else changed? No. No. Jennifer.

10:28

10 minutes, 28 seconds

Jennifer.

10:49

10 minutes, 49 seconds

Good morning. Good morning. Can you hear me? Okay. Yeah.

10:57

10 minutes, 57 seconds

Okay. Uh, okay. So, I'm here this morning because I would like to ask how

11:04

11 minutes, 4 seconds

the county decides projects for ready and other grant funds,

11:11

11 minutes, 11 seconds

specifically the 4 building. I've been through the old minutes and there's been

11:19

11 minutes, 19 seconds

very little disclosed from this body or the county council.

11:25

11 minutes, 25 seconds

However, I received documents that show as of March,

11:33

11 minutes, 33 seconds

we've been approved to receive money way more than it was ever discussed in these pull closer to your mouth,

11:43

11 minutes, 43 seconds

please. Okay.

11:44

11 minutes, 44 seconds

Okay. Now, say it again. Since March what? Okay. So, in March of 2026,

11:54

11 minutes, 54 seconds

the ready funds have approved us for $1.2 million on a $1.7 million project.

12:04

12 minutes, 4 seconds

Are we talking about basically the 4 project? Yes, sir.

12:09

12 minutes, 9 seconds

Okay. What specifically do you need to know? I've got a Well, so I would like to know how we got there.

12:15

12 minutes, 15 seconds

How we got where? How how does this county even determine what projects are going to be submitted for ready funding?

12:23

12 minutes, 23 seconds

That's never discussed at these meetings.

12:27

12 minutes, 27 seconds

Back in 20 24 23 24

12:35

12 minutes, 35 seconds

u these uh if you're familiar with the RDA and how that works. Uh we're not. So I'm not

12:43

12 minutes, 43 seconds

okay somewhat. I've asked those questions also.

12:46

12 minutes, 46 seconds

It's fun. It's funded by the Indiana Economic Development Corporation. That's e excess funds. When the state has

12:56

12 minutes, 56 seconds

excess funds, they created these regional development authorities which

13:00

13 minutes

we uh joined back in 2017 or 18. uh five counties, Clark, Floyd, um Madison,

13:12

13 minutes, 12 seconds

Washington, and Scott. There's a five member board. One uh delegate from each

13:20

13 minutes, 20 seconds

county represents the RDA. They hold monthly meetings. Have you ever been to a meeting?

13:26

13 minutes, 26 seconds

I have not, but my understanding is this county has representation at that. So, that's also part of my question. Yes.

13:32

13 minutes, 32 seconds

Why does that person or persons because there are several people from this county that sit on these different boards but they do not come to these meetings

13:41

13 minutes, 41 seconds

to tell us what's going on and where we are probably because there's not much going on I would beg to differ started

13:49

13 minutes, 49 seconds

let me let me finish I'll go through the whole thing okay and then that way you know you won't have to be asking question after

13:56

13 minutes, 56 seconds

question okay so then what happens then um the RDA Okay, we have these uh they

14:04

14 minutes, 4 seconds

have meetings. They came around for site visits. Uh we had several projects that we submitted. Uh if the mayor was here,

14:12

14 minutes, 12 seconds

he could tell you that he's here.

14:14

14 minutes, 14 seconds

You submit you submit projects. Sometimes you get the money, sometimes you don't. There

14:21

14 minutes, 21 seconds

were several things that we were turned down on. We asked them for help for the new highway department project. They

14:28

14 minutes, 28 seconds

said they they were trying to steer clear of things like this. Wanted to focus more on child care, housing, youth

14:38

14 minutes, 38 seconds

development type things. We submitted repair of our sidewalks out here cuz they're kind of getting a little shabby.

14:46

14 minutes, 46 seconds

Uh we were turned down on that. So we also submitted a new 4 building. So,

14:54

14 minutes, 54 seconds

that went through and they did approve that. We have to match

15:00

15 minutes

uh the 1.2 million with uh it's about $300 or $400,000 and those matches can

15:08

15 minutes, 8 seconds

be achieved in kind. In other words, uh for instance, uh the mayor helped us out here.

15:16

15 minutes, 16 seconds

Part of the match was uh trying to get rid of the uh uh the old pool because it was uh basically found out there was a

15:25

15 minutes, 25 seconds

sinkhole in it. Wasn't safe. It was going to cost too much to repair it.

15:29

15 minutes, 29 seconds

That's uh uh with the help of the mayor that was used as match money. So the uh

15:36

15 minutes, 36 seconds

project is still in limbo. Uh, I believe a year ago in March or February, your

15:44

15 minutes, 44 seconds

husband came to a meeting and asked about the bidding process on these projects. It's not been put out for bid

15:52

15 minutes, 52 seconds

yet. At that time, we told him that bids would be released in June. That was in 2025.

16:02

16 minutes, 2 seconds

What happened was there was an election.

16:04

16 minutes, 4 seconds

We got a new governor. The governor wanted to put all these projects under a

16:11

16 minutes, 11 seconds

microscope. So he decided to take our tax dollars and do a forensic audit of

16:19

16 minutes, 19 seconds

all these projects. So instead of starting this project back last year when we would have liked to, it's been

16:27

16 minutes, 27 seconds

delayed and it's basically a year behind schedule. So the final approval will be

16:35

16 minutes, 35 seconds

going through the forensic audit uh by the Ernston Young Accounting Firm along

16:42

16 minutes, 42 seconds

with the IEDC probably in the next couple months and hopefully we can get started on it after

16:51

16 minutes, 51 seconds

the fair this year. And this was discussed in in several meetings and this is kind of where we're at now.

17:00

17 minutes

We're just waiting on the state.

17:03

17 minutes, 3 seconds

Have we as commissioners ever approved this project? Not since you were here.

17:08

17 minutes, 8 seconds

I don't think it was approved prior to that, too, cuz I pretty much kept up with things. So,

17:14

17 minutes, 14 seconds

it was approved at the start when we first when it's first coming about, but then it seems like everything was a state.

17:22

17 minutes, 22 seconds

I'd like to uh see the minutes of the meeting where it got approved just to be on. I'm not against it by no means, but once again, following proper procedures

17:31

17 minutes, 31 seconds

would uh pretty much clear up a lot of the issues we have here. So, that's kind of where I am. Like,

17:40

17 minutes, 40 seconds

are you are you got Are you opposed to this project?

17:42

17 minutes, 42 seconds

No, sir. I just said I'm not opposed to this project. I don't understand how we got here, though. It was approved. We submitted a grant. Who? Okay. Who is we?

17:51

17 minutes, 51 seconds

The comm the county. the county submitted the county as the Washington County Commissioners or the county as the council or the county as the growth partnership.

17:59

17 minutes, 59 seconds

The county as a whole, you know, but it comes from a specific entity. So, what entity submitted it? The county was uh the commissioner,

18:07

18 minutes, 7 seconds

everyone was aware [clears throat] aware of this.

18:11

18 minutes, 11 seconds

I don't know how everyone was aware of this. I've been through the old minutes.

18:14

18 minutes, 14 seconds

So, I have a timeline of okay what was said in these meetings and Tony is correct. It was never actually asked

18:23

18 minutes, 23 seconds

do we want to do this. It was just said this is what we are doing. So according to the documents the original submission

18:31

18 minutes, 31 seconds

was for $358,000 total build. The ready request was $286,000 leaving the county short $71,000.

18:44

18 minutes, 44 seconds

As of March 20th of 2026, the total cost is now 1,756,000 and 1001,756,58.

18:57

18 minutes, 57 seconds

The grant is 1.2 million. That's right.

19:00

19 minutes

Leaves the difference of $556,000 for this county to come up with.

19:05

19 minutes, 5 seconds

That's right. And we've already set But none of that's been discussed here.

19:09

19 minutes, 9 seconds

That's my question. Who who talks about this? It's not been discussed at a council meeting.

19:15

19 minutes, 15 seconds

Discussed at the council meeting. We set aside out of our investments and I don't this has been over a year

19:24

19 minutes, 24 seconds

ago. I can pull up the minutes a council meeting. I was here and I requested

19:30

19 minutes, 30 seconds

I think $300,000 with a signature page from the treasur releasing the funds to make them

19:38

19 minutes, 38 seconds

available. They've been sitting in the general fund for over a year and it's in the council minutes.

19:45

19 minutes, 45 seconds

Okay. Yes, sir. You're right. $300,000, but we're short $556,000.

19:51

19 minutes, 51 seconds

The rest of the matching funds are going to be inind payment.

19:58

19 minutes, 58 seconds

What the mayor did to do the demolation of the old pool, which was about 40 $42,000.

20:05

20 minutes, 5 seconds

Okay. There are several things. There's going to be a little paving. We've got to do some sewer upgrades, which we're going to pay out of edit funds, which is going to be probably around $30,000.

20:17

20 minutes, 17 seconds

We're going to do some electrical upgrades, which uh spoke with the contractor. Um,

20:24

20 minutes, 24 seconds

who's approved that stuff, Todd? That's Well, I think that's what she's asking,

20:28

20 minutes, 28 seconds

right? What you're talking about doing all this other work. Who has approved that? We have.

20:36

20 minutes, 36 seconds

Who is we? the commissioners we have.

20:39

20 minutes, 39 seconds

That's not in any of the records. That's not in any of the minutes.

20:44

20 minutes, 44 seconds

There are daytoday things that go on in this county maintenance-wise that are not brought up in public

20:52

20 minutes, 52 seconds

meetings because they need attention pretty quickly. Okay. Uh repair work, things like that.

21:00

21 minutes

Okay. But we went from a project that started out at 356 $358,000 to now $1.7 million

21:09

21 minutes, 9 seconds

that in all of that's not minor maintenance. Those are things that should be discussed.

21:14

21 minutes, 14 seconds

Those are the public those are inind dollars. No sir,

21:20

21 minutes, 20 seconds

your grant went from don't understand your I do not understand. That's why I'm here asking the questions because we don't understand because we're not kept

21:28

21 minutes, 28 seconds

informed of these things. Any action taken by a commissioner outside of the meeting needs to be ratified at any meeting.

21:36

21 minutes, 36 seconds

These things were done years ago. We've been working on this for 3 years.

21:41

21 minutes, 41 seconds

That's the point. Because you've been working on it that long, but the public is completely unaware of what's been going on because you're not doing it here.

21:48

21 minutes, 48 seconds

Everybody's got my phone number. They've got his phone number. They've got Tony's phone number.

21:52

21 minutes, 52 seconds

So, a taxpayer should call you personally to ask what's going on instead of you presenting it here at these meetings.

21:59

21 minutes, 59 seconds

Did I just not get through telling you that the $300,000 I can pull up the council minutes from a year ago?

22:07

22 minutes, 7 seconds

I don't know how much more transparency do you want that how did this project go from $358,000 to almost $1.8 million to begin with?

22:18

22 minutes, 18 seconds

Excuse me. What did you say?

22:21

22 minutes, 21 seconds

It's the same question I had when I started. This project started at $358,000 and it's now at 1 point almost $8 million. has not gone up.

22:30

22 minutes, 30 seconds

Then why did the ready grant go from a request of $286,000 to 1.2 million?

22:38

22 minutes, 38 seconds

I would be happy to speak with you after the meeting. And I don't want to speak after the meeting.

22:43

22 minutes, 43 seconds

I would like for you to explain to taxpayers, all of us here, and those watching and listening, how this process works, that how we even get here.

22:52

22 minutes, 52 seconds

This you stated already.

22:53

22 minutes, 53 seconds

This is not a question and answer session. This is your public comment if you've got anything else to say. Okay. So, I do have other things to say.

23:01

23 minutes, 1 second

Happy to meet you. You stated I think the three minutes is up.

23:05

23 minutes, 5 seconds

Well, you didn't put me on a timer and it's Well, it's been back and forth. So, I didn't actually get my three minutes because Todd used a lot of that back and

23:12

23 minutes, 12 seconds

forth and I know you've got a lot of it sounds like really good questions, but there's also a lot of other people here that have really important issues to address. And so I think he's made

23:22

23 minutes, 22 seconds

himself available after the meeting to sit down and try to figure out some of these issues which are all very very important.

23:28

23 minutes, 28 seconds

But that's not the point to be discussed here for everybody to know what's going on, how we ever even got here.

23:34

23 minutes, 34 seconds

Appreciate the public comment. It's important and it's part of this democracy and it's a great thing.

23:39

23 minutes, 39 seconds

And also I'm not trying to be rude, but can someone introduce you? We've never seen Langden. I'm filling in for April Guiltmaker. I work she's a she's a an

23:46

23 minutes, 46 seconds

attorney at my office. So, we appreciate the public comment. It's vital to a functioning democracy.

23:53

23 minutes, 53 seconds

You've done a great job presenting yourself and after the meeting, I think I think he said he'd make his self available to to discuss it further.

24:02

24 minutes, 2 seconds

Well, I I got I got a few comments on this since she's brought it up. She actually emailed me the whole packet that's been sent and there's letters in

24:10

24 minutes, 10 seconds

there as late as March that has the letter head of the commissioners on it.

24:16

24 minutes, 16 seconds

my names on that and I just wasn't aware of any of this going on. At one time I was on an email thread talking about

24:24

24 minutes, 24 seconds

this stuff and since been took off and there has been activity on that and as a commissioner I am not receiving the

24:32

24 minutes, 32 seconds

information I should be and there's and there's people sitting in this room has called and told me that they have received this and and telling me heads

24:41

24 minutes, 41 seconds

up that he is withholding information. I don't know if you've been rece at one time you wasn't receiving the bill cuz you've asked if I knew anything about it. So that's intentional by you Todd.

24:54

24 minutes, 54 seconds

So [laughter]

24:56

24 minutes, 56 seconds

I don't know how we got to the point of you already know the cost's name need to be ratified in a meeting.

25:05

25 minutes, 5 seconds

Just just as simple as that.

25:07

25 minutes, 7 seconds

Look, but he's also stated that Hold on hold on.

25:11

25 minutes, 11 seconds

Can I please have my three minutes? the I've not had my three minutes.

25:16

25 minutes, 16 seconds

He stated that contractors have already been contacted and it's already a cost, but he's not put it open for bid. So,

25:24

25 minutes, 24 seconds

how do you have a cost?

25:25

25 minutes, 25 seconds

Very important for everybody else here to have an opportunity to make their public comment. It's it's there's one other person listed for public comment.

25:32

25 minutes, 32 seconds

So, you've you had three minutes to make your comment and it was all important stuff.

25:37

25 minutes, 37 seconds

I didn't have three minutes to make my comment. not an opportunity to have a discussion after the meeting to get in even more detail about this. Um

25:46

25 minutes, 46 seconds

why is the detail not being shared with the public? That's the point.

25:49

25 minutes, 49 seconds

I appreciate your time and you'll have that opportunity. I do think we have to be careful here as just as an attorney

25:58

25 minutes, 58 seconds

of making public accusations against folks.

26:02

26 minutes, 2 seconds

I'm not making accusations. I'm asking questions and I have the documentation.

26:07

26 minutes, 7 seconds

anybody in general. I think you got to be careful about that.

26:09

26 minutes, 9 seconds

There's a letter from the commissioner's letterhead. Thank you, ma'am. February of this year. Understand. Thank you. No, sir.

26:17

26 minutes, 17 seconds

Thank you. No, Brent.

26:19

26 minutes, 19 seconds

There's a project timeline on here. How do we have a project timeline if there's no bids? Are you going to come arrest me?

26:26

26 minutes, 26 seconds

Uh, nobody's threatening to arrest you. Then why are you calling on Brent?

26:30

26 minutes, 30 seconds

That's the sheriff in case no one knows that. I didn't say his name.

26:34

26 minutes, 34 seconds

Todd just did. Well, I think you probably need to step back and let them respect perform their business.

26:41

26 minutes, 41 seconds

Respect the protocol here. You've had that you used up my three minutes so that I couldn't actually say what I wanted to say and now you're having the attorney cut me off and now you're

26:49

26 minutes, 49 seconds

asking the sheriff to come up here and remove me.

26:51

26 minutes, 51 seconds

Again, let's be careful about making accusations. That wasn't an accusation.

26:56

26 minutes, 56 seconds

You just made an accusation that he prompted me to say something. He didn't prompt me to say anything.

27:01

27 minutes, 1 second

I didn't say he prompted you. I said he used up my three minutes and then now you're cutting me off and then now he's asking the sheriff to come remove me.

27:09

27 minutes, 9 seconds

I appreciate your time. You've done a good job. You've done a great job of presenting your position.

27:14

27 minutes, 14 seconds

I didn't I thought you did a great job of presenting your Well, I appreciate that. But yeah,

27:18

27 minutes, 18 seconds

thank you for using up all my time and not answering anything.

27:22

27 minutes, 22 seconds

You can stay around afterwards and he's made himself available. Yes. Okay. God bless you. Thank you. Thank you.

27:30

27 minutes, 30 seconds

Yeah. Seriously. God bless you. Thank you, Miss Britain. Which one? Miss Britain.

27:49

27 minutes, 49 seconds

Okay. So, we're almost at 30. Um, sir, you're filling in for April today. Um,

27:54

27 minutes, 54 seconds

and thank you for doing so. Before we start my threeminut clock, um would you mind introducing yourself to everybody because I didn't hear that happen at the beginning.

28:01

28 minutes, 1 second

Oh, okay. I'm Steve Langden. Um I was actually born in Salem, lived in Camelsburg for two or three years. My dad was principal

28:10

28 minutes, 10 seconds

at West Washington. Um so April is one of the attorneys at my office. Her husband is getting a I think accommodation or award today up in

28:18

28 minutes, 18 seconds

Indianapolis. He's a state trooper. She asked me if I'd sit in with or for her and so I get a chance to come up and I always enjoy coming up to Salem.

28:26

28 minutes, 26 seconds

Awesome. Thank you. So, you're you're an attorney obviously. You're highly educated. You can start my three minutes now.

28:31

28 minutes, 31 seconds

I don't know if I'm a good attorney, but I'm an attorney.

28:33

28 minutes, 33 seconds

Uh well, [clears throat] um well, I I won't make that joke. I'll just let it sit in. I'll let myself make that one.

28:38

28 minutes, 38 seconds

So, um did April brief you on the things as I was on the agenda. Did she brief you on the things that with the public records request and freedoms of information act that I posted?

28:48

28 minutes, 48 seconds

No. I'm so sorry.

28:49

28 minutes, 49 seconds

Yeah. I was hoping for an update on that. I did notice and and obviously you know the distinction between uh different types of political systems,

28:57

28 minutes, 57 seconds

but I noticed that you were one of the people that stood up and pledged allegiance to the flag and to the republic for which it stands. And I noticed when you spoke with uh with

29:04

29 minutes, 4 seconds

Jennifer just a moment ago, you mentioned the word democracy a couple of times. And so I'd like to make the distinction that the United States of America is not a democracy. It's a

29:13

29 minutes, 13 seconds

representative republic. A democracy is two wolves and a sheep deciding what's for dinner. And personally, I'm sick and tired of being one of the sheep and

29:22

29 minutes, 22 seconds

y'all being the wolves. So, um, there are factions in this county that have attempted to shut me up. And I would

29:29

29 minutes, 29 seconds

like to remind people that when you become a public official, of course,

29:33

29 minutes, 33 seconds

you're going to draw the eyeire for your actions from the public. Um, and that you are held to a higher standard. We certainly want to make sure that uh

29:42

29 minutes, 42 seconds

people's first amendment rights are respected and that people have the right and recognized right to criticize public

29:50

29 minutes, 50 seconds

officials. Um and so that's that's my uh statement there for today. So Kyra, you would have been working with April on

29:58

29 minutes, 58 seconds

the public records requests that I've made. Um it's been about 63 days now. Do you have an update for me just real quick? You got a minute left. Great. Thank you.

30:05

30 minutes, 5 seconds

You're welcome. Do you have a an update for me?

30:11

30 minutes, 11 seconds

It's just an opportunity for a public comment. It's not an answer.

30:15

30 minutes, 15 seconds

So, by by silence, we're going to um we're going to recognize that the auditor of this county is ignoring my question, refusing to answer it. I've

30:24

30 minutes, 24 seconds

sent multiple emails. I've made Just real quick, we got to be careful about throwing accusations. That's not what this is saying. This is saying this

30:31

30 minutes, 31 seconds

is a public comment opportunity but it's not a okay so I'm asking a question of a public official and you know certainly

30:39

30 minutes, 39 seconds

in a democracy we would want people to ask questions of the public official open office hours and you can go ask that question.

30:46

30 minutes, 46 seconds

So where is it where is it written that it is somehow inappropriate or outside the rules to ask the questions of the people who are sitting in front of me.

30:54

30 minutes, 54 seconds

You've got 19 seconds left.

30:57

30 minutes, 57 seconds

18 17 16 15 14 It's a 10 13 12 11 10 98

31:07

31 minutes, 7 seconds

7654 321. I think it's an absolute tragedy that this body last year uh put in public comment restrictions.

31:16

31 minutes, 16 seconds

Your time is up, but I will tell you that I know she has open office hours and if you make an appointment, I'm sure she'd be happy to talk to you about it.

31:23

31 minutes, 23 seconds

Thank you for being the mouth of Sauron today.

31:26

31 minutes, 26 seconds

If you don't know that reference, you're not as educated as you can. I didn't hear you. I'm sorry. You are the mouth of Sauron today.

31:33

31 minutes, 33 seconds

Oh, that doesn't sound good. I I I hate that. Evidently, you're unaware of JRR Tolken,

31:39

31 minutes, 39 seconds

Lord of the Rings, etc. Blockbuster movies if you can't read the book. Yes, ma'am.

31:51

31 minutes, 51 seconds

Approval of the minutes of April 7th, 2026. Everybody had a chance to read them.

31:57

31 minutes, 57 seconds

Make a motion to approve the minutes. I will second that.

32:05

32 minutes, 5 seconds

All in favor say I. I. Oppose.

32:08

32 minutes, 8 seconds

Can Can I interject just quickly? Miss Bowers just came up and it sound like there could be some issues with the

32:16

32 minutes, 16 seconds

minute. Maybe, maybe not minutes in the past. Is there is there a specific objection to the minutes? I I just want to make sure that there's never an

32:24

32 minutes, 24 seconds

opening for an open door complaint against this body. So, to the extent that there's an objection to minutes, is there a specific objection to just make sure they're completely accurate?

32:34

32 minutes, 34 seconds

They're not complete.

32:35

32 minutes, 35 seconds

They're never complete. And I brought it up meeting after meeting. I get tired of talking about it. I understand. Is there the last minutes?

32:42

32 minutes, 42 seconds

Is there something from the last meeting that's not they're they're in your opinion not right always inaccurate inaccurate and they're

32:50

32 minutes, 50 seconds

prejudiced the the last meeting is there yeah that's what I just said they're prejudice you can read them for yourself you might ought to get in there and read them

32:58

32 minutes, 58 seconds

I I wasn't here at the last meeting is there something specific that you want to address the last minutes overall they are prejudiced what was wrong about the last meeting

33:06

33 minutes, 6 seconds

minutes they're just they're not correct what is misleading about the last meeting minutes.

33:12

33 minutes, 12 seconds

Anybody who wants to read them can clearly tell what is wrong with them.

33:17

33 minutes, 17 seconds

I know, but is there a spec? You don't ever want to The whole deck on the whole deck on page is just way off and out.

33:26

33 minutes, 26 seconds

Okay.

33:30

33 minutes, 30 seconds

Well, I think there's inaccuracies in here and as a member of the public, I'm concerned about everything being in all caps. I don't know if that's a formatting requirement for it to be in all caps, but is it your last name?

33:42

33 minutes, 42 seconds

What's your last name?

33:43

33 minutes, 43 seconds

Ch. Okay, then that is I thought that was a typical it. Okay, so I I'm just want to make sure that the meeting minutes are

33:52

33 minutes, 52 seconds

accurate to the because you we got to be accurate for the state and that's that's the only reason I was asking,

33:57

33 minutes, 57 seconds

right? I mean, I brought it up time after time. I don't know if you keep up with our politics here and what's been going on, but I try to stay out of politics.

34:05

34 minutes, 5 seconds

Okay, we're good. I try to stay out.

34:06

34 minutes, 6 seconds

Smart man. Then maybe you're smart enough Lucy. Give you credit for it. I hope so.

34:11

34 minutes, 11 seconds

Well, we're still working on Republican form of government versus We won't we won't go there. Yes, ma'am.

34:20

34 minutes, 20 seconds

Did you guys vote on it? All in favor say I. I oppose. Okay. [snorts]

34:34

34 minutes, 34 seconds

Approval of claims and payroll. Motion to approve the claims and payroll. I second that one.

34:42

34 minutes, 42 seconds

All in favor say I. I. I.

34:52

34 minutes, 52 seconds

All right.

34:54

34 minutes, 54 seconds

Since we got Mark now we need to do this RBR resolution.

35:03

35 minutes, 3 seconds

Whoever Yeah, you got your paper. Good morning. Extra copies if you need them.

35:11

35 minutes, 11 seconds

Yeah, that's fine. Okay, I've got them. Morning.

35:15

35 minutes, 15 seconds

Good morning. Um, my name is Sarah Alstat. I am the director of development for RBR Alliance and Blue River Services. Every year, uh, Blue River

35:24

35 minutes, 24 seconds

Services applies for 5311 funding to operate our southern Indiana transit system. And I am asking you all to uh

35:32

35 minutes, 32 seconds

sign the authorizing resolution to continue services in Washington County. Have a motion. I make that motion.

35:40

35 minutes, 40 seconds

Second. All in favor say I. I. I. I. Motion carried. Thank you very much. Thank you. Thank you.

35:47

35 minutes, 47 seconds

Appreciate all your work, the good work you do. Thank you so much.

35:50

35 minutes, 50 seconds

We're very happy to be able to serve Washington County. You do a good job. Thank you. Thank you.

36:03

36 minutes, 3 seconds

cuz Mark's here. Call Mark. Mark,

36:10

36 minutes, 10 seconds

you and Justin.

36:23

36 minutes, 23 seconds

Morning. Good morning,

36:26

36 minutes, 26 seconds

Mr. commissioner and other commissioners and auditor and attorney. My name is Mark Clark. I'm

36:34

36 minutes, 34 seconds

working I'm an attorney that is working with the city of Salem regarding the

36:40

36 minutes, 40 seconds

foreclosure of a judicial lean on a piece of property here in the city of Salem. It's specifically at 103 West

36:50

36 minutes, 50 seconds

Homer Street. uh part of our foreclosure sheriff's uh on a judgment which is a

36:58

36 minutes, 58 seconds

judicial lean upon the property. We're going to be going in about five minutes to a foreclosure sale on that lean. And

37:05

37 minutes, 5 seconds

one of the things that needs to occur so that lean that sale process can take place is uh the removal of some previous

37:16

37 minutes, 16 seconds

delinquent taxes that are on the property. Uh we're talking some of about

37:23

37 minutes, 23 seconds

$10,000 or not about it's $10,000 to $11,000 of backdue delinquent taxes

37:32

37 minutes, 32 seconds

on a piece of property that uh the city took a action

37:40

37 minutes, 40 seconds

against based upon the unhabil unhabitable status of the uh home that was on that

37:48

37 minutes, 48 seconds

property. it was a dangerous building uh action against that property and that building was removed. Uh the city is now

37:57

37 minutes, 57 seconds

trying to foreclose upon its lean and as I said uh we have we need to have some

38:04

38 minutes, 4 seconds

delinquent taxes removed so the sale can take place. Uh I have discussed with the

38:11

38 minutes, 11 seconds

treasurer, the auditor and the uh assessor uh a petition under

38:18

38 minutes, 18 seconds

Indiana code to that they have signed and presented to the commissioners and that is the process by which a county may remove delinquent taxes, interest,

38:30

38 minutes, 30 seconds

fees, penalties uh so that this sale can take place so that the property can be

38:36

38 minutes, 36 seconds

sold to a new owner. Uh, and in our particular case, it's going to actually

38:43

38 minutes, 43 seconds

be gifted to a new owner. And then what that property will come back on to the

38:50

38 minutes, 50 seconds

assessment roles of uh the city and the county, actually the assessment roles of the county because it's county property

38:56

38 minutes, 56 seconds

taxes. Um, and the owner at that point will be responsible for taxes in the

39:03

39 minutes, 3 seconds

future. uh and those taxes hopefully will be paid by the owner in the future.

39:08

39 minutes, 8 seconds

So, it will return the property to a productive uh use here within the county and the county will be able to actually

39:16

39 minutes, 16 seconds

acquire real estate taxes on that property. Uh you have that petition before you. What we would suggest is um

39:25

39 minutes, 25 seconds

you could either act on the petition now or the sale is going to take place at 10:00. If you want to make your action

39:33

39 minutes, 33 seconds

contingent upon the city being the successful bidder, uh you could do it that way and we could notify you of

39:41

39 minutes, 41 seconds

whether we are or are not the successful bidder. So, uh that's what we have before you. Um and I'd be glad to answer

39:50

39 minutes, 50 seconds

a few questions because I need to leave in about 5 minutes. You had some questions. Oh, yeah. Well, I got concerns. I mean,

39:57

39 minutes, 57 seconds

uh, after investigating it myself and everything, and I actually talked to April yesterday, we legally cannot

40:04

40 minutes, 4 seconds

relieve the taxes on this until the municipality within our county owns the property.

40:10

40 minutes, 10 seconds

That that would be the second option. I said that if you wanted to wait until after the sale and make it contingent on the city being the successful bidder,

40:19

40 minutes, 19 seconds

you could do that.

40:20

40 minutes, 20 seconds

Understand that. But I I just I'm not going to walk down that line on anything on ethics or whatever. I'm

40:28

40 minutes, 28 seconds

going to be on the the side of moral compass and judgment. So, and I I So, I

40:36

40 minutes, 36 seconds

think if you guys are just successful bitter on that, then you probably ought to come back at that point where we can relieve it at that point.

40:46

40 minutes, 46 seconds

And that that that makes it totally lawful at that point. And I have also talked to the uh lawyer with SRRI and he

40:54

40 minutes, 54 seconds

explained it to me as such that matter also.

40:57

40 minutes, 57 seconds

You want to wait until 10:15? That's fine with me.

41:00

41 minutes

Yeah. I mean to me that's why I'm saying you know I'm I'm not going to no offense against nobody but uh

41:10

41 minutes, 10 seconds

proper proper procedures on anything and that's what gets us as a board in trouble. it it as as the I I I agree

41:19

41 minutes, 19 seconds

that we I mean it could be passed contingent upon the sale. I think that's fine or you can recess can recess and wait will come back. No problem.

41:27

41 minutes, 27 seconds

You can do both. Both are perfectly fine under the law. Yep. Any other questions?

41:38

41 minutes, 38 seconds

Hopefully I'll see you in about 15 minutes.

41:40

41 minutes, 40 seconds

Is that is that is that what you want us to do? You want us to just come back? I got no problem with it.

41:47

41 minutes, 47 seconds

If you're okay with that, let's just do it that way. Go do it. Okay, [clears throat] that's fine. You all right? Sorry you.

41:53

41 minutes, 53 seconds

No, it's not an inconvenience. I got to bring him back to downtown. This been laying out for a while. I mean, what what the heck? Even two weeks would even

42:01

42 minutes, 1 second

at this point matter, you know, where we get make sure everybody's on the same page and it's everything's lawful and and we don't cross no ethic lines either.

42:10

42 minutes, 10 seconds

That's fine. Have no problem with that.

42:13

42 minutes, 13 seconds

Thank you. See you. See you later at your recess. Thank you. There might be a close land owner there that might be bidding on it beside the city, too.

42:23

42 minutes, 23 seconds

Well, we'll see. We'll see. Thank you. Good luck.

42:30

42 minutes, 30 seconds

Thank you, Mark.

42:33

42 minutes, 33 seconds

[clears throat]

42:36

42 minutes, 36 seconds

Go back to a word now. Yes, Rick.

42:52

42 minutes, 52 seconds

Don't have too much for you. Just a quick update what we're up to.

42:56

42 minutes, 56 seconds

Uh the road crews are out spraying poison hemlock and patching potholes.

43:00

43 minutes

The mechanics are getting the tractors ready for mowing season, which will be here for too long. Uh the bridge crew is working on updating our small structure

43:08

43 minutes, 8 seconds

inventory. And we just completed a pretty significant erosion control project on Sparksville Crossing. We

43:15

43 minutes, 15 seconds

covered about a quarter mile of rip wrap with concrete that had been damaged in the last high water event. It's happens every so many years and we think this

43:24

43 minutes, 24 seconds

might be a longer term solution, but turned out pretty good. I think that's all I've got for you. So we putting concrete over top of it.

43:31

43 minutes, 31 seconds

Yeah. Every time we get a high the new road down there, you know what I'm talking about. Sparksville Crossing kind of a ended up being a dam built across

43:39

43 minutes, 39 seconds

the field basically and every time it fills up the water goes over and it takes the rip wrap out into the farmer's field and we have to replace it and just

43:47

43 minutes, 47 seconds

never ending. So this time we've put a concrete cap part of it already had it put a concrete cap farther up the road,

43:54

43 minutes, 54 seconds

replaced the rip wrap and covered it over. So hopefully it holds in there for a while and it's a longer term solution.

44:02

44 minutes, 2 seconds

That's all I've got for you.

44:04

44 minutes, 4 seconds

So, how many miles of road you got to mow? Do what?

44:08

44 minutes, 8 seconds

How many miles of road you got to mow? Uh, you know, getting close to 780 and then lane miles. So, probably 1550.

44:15

44 minutes, 15 seconds

You know, if you count both sides of the road, that's about 1550 miles. How many times you go to mowing?

44:21

44 minutes, 21 seconds

H minimum of four. Some of the gravels we skip once in a while and some of them will hit more than four times.

44:29

44 minutes, 29 seconds

So, how much in [clears throat] fuel?

44:31

44 minutes, 31 seconds

How much in fuel you use? four gallon. I mean, they can use a whole tank of fuel per day. You know, you're probably looking at 20 25 gallon there if they run hard.

44:41

44 minutes, 41 seconds

How's your tra tractors holding up right now? They're pretty good. We replaced them what, two years ago. A lot of people think, you know, their old 4020 John Deere that they've had for 40,

44:51

44 minutes, 51 seconds

50, 60 years that our tractors ought to last like that. But when you figure the mileage, like a most 4020 John Deere don't have, you know, 10,000 miles on

44:59

44 minutes, 59 seconds

them. So there's a lot of bearings and a lot of shafts and stuff that just get worn out over time. What about the brush hogs themselves?

45:05

45 minutes, 5 seconds

Uh we're back to the little side disc mowers. They're pretty good. We replaced them last year. They're good for about 2 years before they're just gutted, you

45:13

45 minutes, 13 seconds

know, not from abuse, just from that's a lot of mowing. That's a lot of hay fields when you try to compare it to farm use. Yeah.

45:23

45 minutes, 23 seconds

All I've got for you. Appreciate all your work. No problem. Thank you, Rick. Thank you, Rick.

45:28

45 minutes, 28 seconds

[clears throat]

45:29

45 minutes, 29 seconds

Well,

45:30

45 minutes, 30 seconds

at this point, I ask April, but I won't do that to you. I appreciate She has nothing to report if that's what you're asking.

45:36

45 minutes, 36 seconds

Okay, Kyra.

45:41

45 minutes, 41 seconds

Well, we've got a couple people in the council here. Got anything for us?

45:47

45 minutes, 47 seconds

No, I have nothing. I don't. No, I don't.

46:01

46 minutes, 1 second

Make a motion we reset.

46:02

46 minutes, 2 seconds

I got a question for Stephanie. What where's the status of your ordinance that you've uh on your signed ordinance?

46:10

46 minutes, 10 seconds

It's supposed to be relex.

46:15

46 minutes, 15 seconds

We we were making some corrections and of course with April not being here, I'm not sure.

46:22

46 minutes, 22 seconds

Well, I talked to her yesterday. She said as far as her and it was good to go. So, have you got a copy of it? No, I do not have a copy of it.

46:29

46 minutes, 29 seconds

I had talked to her about the the big issue was was really the fairgrounds.

46:34

46 minutes, 34 seconds

Stephanie, I think I mentioned this the last meeting, but there was a reason the 2022

46:42

46 minutes, 42 seconds

ordinance didn't mention the fair ground. Now, this has nothing to do with the polling place I'm talking about

46:50

46 minutes, 50 seconds

because that that's kind of your jurisdiction. Whatever the state says about signs or people however many feet

47:00

47 minutes

from the polling location, that's [clears throat] that's your thing.

47:04

47 minutes, 4 seconds

That's your wheelhouse. what I was speaking to was the rest of the grounds when you have

47:12

47 minutes, 12 seconds

probably, you know, literally dozens and dozens of events um at the fairgrounds over the course of the year. Goat shows, sheep shows,

47:23

47 minutes, 23 seconds

cattle shows, pig shows, chicken shows,

47:26

47 minutes, 26 seconds

uh vendors coming in. Sometimes, uh there's flea markets. We didn't want to limit signs on camp at the fairgrounds

47:36

47 minutes, 36 seconds

because everybody's always wanting to put a sign up. It's it's kind of a different animal uh compared to say the

47:44

47 minutes, 44 seconds

courthouse grounds. We don't want signs on the courthouse lawn. But down there when there's so many activities going

47:51

47 minutes, 51 seconds

on, we wanted to make sure that uh number one, if somebody put a sign up and we um had a rule that said you

48:00

48 minutes

couldn't put a sign up on fairgrounds property, number one, who's going to enforce it because it would drive uh

48:07

48 minutes, 7 seconds

Brent Miller crazy going down there pulling up signs and calling people. So,

48:12

48 minutes, 12 seconds

we wanted to make sure that that was left open. the October 2022 ordinance. That's how it is, right? Yes.

48:20

48 minutes, 20 seconds

That's why April specified political sign.

48:26

48 minutes, 26 seconds

24 hours before, 24 hours after, she specified the political side. Yeah.

48:31

48 minutes, 31 seconds

So, it didn't take a blanket of all signs. Yeah, that's that's right. No signs. So,

48:39

48 minutes, 39 seconds

no goat show signs, no sheep shines. I mean, there's no signs. So, so the current current one says that there's absolutely no signs.

48:48

48 minutes, 48 seconds

No signs whatsoever.

48:49

48 minutes, 49 seconds

And your your version of it would just limit it to no political signs. Correct.

48:54

48 minutes, 54 seconds

So, you're actually helping Todd out in this sense, right?

49:00

49 minutes

Election board hearings were helping me out.

49:04

49 minutes, 4 seconds

Yeah. Because you want to keep the signs there and I understand what you said and I 100% agree with you. So with her new revision on the ordinance, it's

49:13

49 minutes, 13 seconds

protecting what you just said, but keeps the political aspect out of it. Yeah. Is that correct? Correct. Okay.

49:21

49 minutes, 21 seconds

Right now it's no sign. Yeah.

49:24

49 minutes, 24 seconds

Whatsoever property regardless of what kind of sign it is. I did meet with April, but I'm so sorry.

49:30

49 minutes, 30 seconds

This is just one of those that That's okay. I apologize.

49:33

49 minutes, 33 seconds

Yeah, you're Well, that's okay.

49:37

49 minutes, 37 seconds

Yeah. Just just wanted to make that, you know, make that understood that we will allow signs down there except for political.

49:47

49 minutes, 47 seconds

But right now, deal right now, October of 2022, your ordinance is currently in effect now is no signs whatsoever on any county property.

49:55

49 minutes, 55 seconds

But it it doesn't mention the fairgrounds, any county property. That's a blanket. The fairgrounds is all about the county,

50:02

50 minutes, 2 seconds

but all the other locations are mentioned. There's a reason the fairgrounds was left out. So that's that's being corrected. So when April

50:11

50 minutes, 11 seconds

gets back, we'll read it and approve it. I apologize. I I just didn't know.

50:19

50 minutes, 19 seconds

No worries. This is normal business. Do what?

50:25

50 minutes, 25 seconds

We going to get a county highway garage update. Mr. Eert's here. It'd be nice, wouldn't it? Haven't heard about it in a while.

50:34

50 minutes, 34 seconds

It's not on the agenda. I don't It's not on the agenda.

50:37

50 minutes, 37 seconds

Well, I saying we can. I mean, if Bill called him up,

50:40

50 minutes, 40 seconds

you know what I mean? Do That's fine. I'm just saying it would not as a contractor. That's okay.

50:46

50 minutes, 46 seconds

Just give a brief update of where we are.

50:48

50 minutes, 48 seconds

We won't limit you to 3 minutes. I don't think you're special.

50:55

50 minutes, 55 seconds

um had a walk through with uh Phil and Ronnie Voys and Tom Voys with the city

51:05

51 minutes, 5 seconds

um planning and zoning. Uh they gave me a couple punch list items which we started on yesterday to take care of um

51:14

51 minutes, 14 seconds

Hinder lighter on the couple items with IDM to take care of. Uh he's been talking to

51:22

51 minutes, 22 seconds

I always get this guy's name. Todd Abernathy. I think he's the fire marshal. Yes. He's state fire marshall.

51:28

51 minutes, 28 seconds

Yes. Okay. He's been talking to him to friend of Tony's. Yeah.

51:31

51 minutes, 31 seconds

To uh I thought he was a friend of yours, Todd.

51:35

51 minutes, 35 seconds

He's been talking to him to work through them final [cough and clears throat] uh last items there. Um, they do want to

51:43

51 minutes, 43 seconds

know when the fuel would be installed so they can do all their controls and everything. It's I think it's a one day setup on controls for the fuel system.

51:53

51 minutes, 53 seconds

Um, and then we did um,

51:59

51 minutes, 59 seconds

Phil and I went over a budget meeting here a couple weeks ago and we did start on the six bays at a different location

52:06

52 minutes, 6 seconds

on the job site. Uh we haven't got a state release on that yet cuz that's being a separate was there a change order approved on changing the location of them six bays.

52:16

52 minutes, 16 seconds

I'm just curious. Uh there wasn't a change order approved. It's all done within the 4.8. All right.

52:22

52 minutes, 22 seconds

Um yeah, we did it within the 4.8 so there's no additional I just curious bays. Yeah.

52:31

52 minutes, 31 seconds

It seems to me it'd be a bigger cost that to you guys if you're So you're more or less covering that. Yes, we we

52:38

52 minutes, 38 seconds

worked out how we're going to do that and worked out with with who the county representative.

52:46

52 minutes, 46 seconds

Okay. But anything that's done in for the county commissioners and the

52:54

52 minutes, 54 seconds

county needs to be ratified in a public meeting. That's I can't I can't emphasize procedures enough.

53:01

53 minutes, 1 second

Phil is the department.

53:03

53 minutes, 3 seconds

It's still got to be ratified to in an open meeting. Todd, we got a lawyer sitting right here. Your opinion on that, sir.

53:09

53 minutes, 9 seconds

I think it falls within the budget. It does.

53:15

53 minutes, 15 seconds

At least that's what I'm hearing. And I again, this wasn't on the agenda. I didn't prepare for it, but I think it falls within the budget,

53:21

53 minutes, 21 seconds

but it was it's a change of location and this and that and all. I'm I'm just saying I I just I don't think we followed the proper procedures here, and I'm pushing for that.

53:30

53 minutes, 30 seconds

Would it be a difference if it was like a receptacle? Like it was a a plug?

53:34

53 minutes, 34 seconds

It could be. I mean, change one from one wall to the other wall. Would you want to I mean, let I mean, we can all be buttholes or whatnot and get technical.

53:41

53 minutes, 41 seconds

I'm just asking. I'm I'm trying to, you know,

53:44

53 minutes, 44 seconds

I'm just trying to understand so when I go back and talk to April, I can explain to her your position on it. Right.

53:50

53 minutes, 50 seconds

So, is every change at every facility that's ever made needs to come before the commission?

53:54

53 minutes, 54 seconds

I think things need to be ratified in a in a sense to where everybody knows what's going on. Okay.

54:01

54 minutes, 1 second

That that's been an issue here. And I know that council's had an issue with it too o over this particular project. So

54:09

54 minutes, 9 seconds

no no offense against you. You're doing what you're directed to do. I just know the statutes and laws say that we we

54:16

54 minutes, 16 seconds

need as a board we work as a board. I'm not saying I'm against anything. I'm actually for it. But when I get get know when I get a thousand questions over it,

54:28

54 minutes, 28 seconds

I need to be able to answer them. Cuz that don't only make me look like a fool, it makes you look like one, too.

54:37

54 minutes, 37 seconds

When I can't answer and they say, "Well,

54:39

54 minutes, 39 seconds

you're on the board." Well, when people's going behind everybody's back, you can't answer questions. Right, Bill?

54:48

54 minutes, 48 seconds

I asked you, have you been out there? And you said you drove in? I drove in. I sure did.

54:52

54 minutes, 52 seconds

Is there any specific question you want to know about?

54:55

54 minutes, 55 seconds

No, I just I mean I've had since Paul and I have been on this thing. Okay.

55:00

55 minutes

And yes, we've had problems and yes, I know there's a bunch of people want to create a a monster here.

55:06

55 minutes, 6 seconds

I want to be able to answer building to build in a time frame that should have been done 6 months ago. Oh, I agree.

55:14

55 minutes, 14 seconds

And that's what we're trying to get done.

55:16

55 minutes, 16 seconds

Yep. follow procedures on the way with the state and the state don't just give him an answer in five minutes. You got to wait on them and then everything else complex.

55:28

55 minutes, 28 seconds

It's not an easy procedure and I understand that part of the problem.

55:34

55 minutes, 34 seconds

Is there anything specifically you want to know in general? I asked you about windows for the courthouse. You said no. I understand where you're coming from because I went through the same thing.

55:44

55 minutes, 44 seconds

It's a problem. We've got a problem.

55:46

55 minutes, 46 seconds

Everything has to be done by the state and a statute. Bingo. Follow procedure.

55:54

55 minutes, 54 seconds

Now, at the same token, Tony, from this point, you don't have them answers in a book.

56:02

56 minutes, 2 seconds

And that man's bent over backwards to get this thing going. And yet,

56:06

56 minutes, 6 seconds

and I'm not I'm not dogging that in. I'm just dogging the end that the procedures is not properly followed.

56:14

56 minutes, 14 seconds

Well, I'm unclear.

56:16

56 minutes, 16 seconds

Can you be more specific? Because I in general, Todd, you in general. In general, in general,

56:22

56 minutes, 22 seconds

you never give an example. You never specific. You just Goodness gracious. Make these things up.

56:29

56 minutes, 29 seconds

If you got the 181,000 I'll I'll give I'll give a specific thing. And this was already this has been brought up before in the

56:37

56 minutes, 37 seconds

public meeting. $181,000 and some change in stone should have been run through a uh a change order process at the point in time at the

56:46

56 minutes, 46 seconds

point in time that you really that you guys trying to blame somebody else for not paying for it. Okay. When they we should have put that in on a change

56:55

56 minutes, 55 seconds

order cuz it's above and beyond an expense.

56:58

56 minutes, 58 seconds

It is in the process of but we done done it. It should have done prior been done prior to that. You're right.

57:06

57 minutes, 6 seconds

So fess up to the mistake and let's get the stuff and start proceeding in the properly procedures procedural ways.

57:15

57 minutes, 15 seconds

Okay. That change order should have been done a couple months ago and it wasn't.

57:18

57 minutes, 18 seconds

It probably should have done way before a couple months ago.

57:21

57 minutes, 21 seconds

So does that solve anything? It's being done right now. It's on his Thank you for admitting that.

57:27

57 minutes, 27 seconds

You you told me make a point to specific on his desk. Now, if you have any other questions, I suggest you go to the

57:35

57 minutes, 35 seconds

project lead and call him up and ask him because any action he takes on behalf of the commissioners needs to be ratified in an open public meeting.

57:46

57 minutes, 46 seconds

Absolutely not. Because he's the project lead. Oh my goodness gracious. If it's within the budget, you want it, huh?

57:53

57 minutes, 53 seconds

You want the job?

57:54

57 minutes, 54 seconds

Give it to me. I'll do it here. Why you can't figure it all out?

58:01

58 minutes, 1 second

All right, give it to me. Take care of it.

58:08

58 minutes, 8 seconds

Wait, didn't we lose 19 and 12 acres because we were over budget? We were over budget and how come we be over budget on 36?

58:18

58 minutes, 18 seconds

[clears throat]

58:18

58 minutes, 18 seconds

Nobody's over budget.

58:21

58 minutes, 21 seconds

I I take it, Phil. No, no problem. And I I will report and I will make sure that everybody knows what's going on.

58:28

58 minutes, 28 seconds

Good. right load.

58:29

58 minutes, 29 seconds

You told us you borrowed 19 and a half acres because we're $400,000 and some change over budget. So, which is it? So, we're done.

58:38

58 minutes, 38 seconds

Where are we at on everything else like the asphalt and all that? I know Rick Rick needing asphalt before we can even beginning to move and all that good stuff.

58:46

58 minutes, 46 seconds

Can we go slide down?

58:48

58 minutes, 48 seconds

Well, back on the building. We do have the foundation release. We just haven't got the building release for going going vertical yet. You need to you need to

58:56

58 minutes, 56 seconds

vote on the change of the project manager before you continue. If he's if uh Tony's going to take over, it needs to be official.

59:06

59 minutes, 6 seconds

Yes. Please, please. Is he done?

59:14

59 minutes, 14 seconds

No, he ain't done yet.

59:15

59 minutes, 15 seconds

Okay. So, I think before they ever get to that, I think this has to finish first.

59:19

59 minutes, 19 seconds

Okay. So the drawings are at the state to get the vertical construction going.

59:25

59 minutes, 25 seconds

They haven't been approved yet. We did get the foundation released though. So we got the foundation in. Uh so as soon as we get the vertical construction, uh

59:33

59 minutes, 33 seconds

the contractor's already got the PO for building it. So we're just waiting on that to give it the green light. Okay.

59:40

59 minutes, 40 seconds

Um basically on the asphalt and and uh the fencing, I know there was a issue or not an issue but a discussion about uh

59:48

59 minutes, 48 seconds

additional asphalt. We want to do it all at the same time to not work around fencing if we, you know, to make it look

59:57

59 minutes, 57 seconds

makes good sense be a bad job. Okay. So, that's where we're at on that. So,

1:00:02

1 hour, 2 seconds

we're just kind of in limbo on that for the moment.

1:00:09

1 hour, 9 seconds

Anybody else got any questions for Paul while he's sitting here? explain why we're $49,000 over budget.

1:00:20

1 hour, 20 seconds

No, that that would probably be out of his wheelhouse on that. So,

1:00:23

1 hour, 23 seconds

and he would know about why it's three 285 ft long would expect out of

1:00:34

1 hour, 34 seconds

well the 285 was a fire code issue which earlier I mentioned that we are building six bays on the other side of the that that makes good sense too.

1:00:46

1 hour, 46 seconds

Yeah.

1:00:48

1 hour, 48 seconds

So it it gets it down to under the square footage where we don't have to worry about spending extra money on sprinkler system or whatever.

1:00:57

1 hour, 57 seconds

Yes, cuz sprinklers was never part of any discussion. So yeah, that's plus it's an exterior building. Um um yeah,

1:01:04

1 hour, 1 minute, 4 seconds

sprinklers was not an option, I guess, right?

1:01:07

1 hour, 1 minute, 7 seconds

So it allowed you to stay less than the square footage of the state requires.

1:01:23

1 hour, 1 minute, 23 seconds

I'm good. Thank you. Nope.

1:01:32

1 hour, 1 minute, 32 seconds

Somebody's got to make a motion if they want to have I need to see you after meeting.

1:01:40

1 hour, 1 minute, 40 seconds

So, we need a recess. We're going to have a somebody can make a motion if they want to. Nobody's made a motion.

1:01:52

1 hour, 1 minute, 52 seconds

I'll be more than happy to take it over. Get it off Phil's hands. Let me get finished with my stuff. Okay.

1:02:01

1 hour, 2 minutes, 1 second

Recess. State board of council's what?

1:02:04

1 hour, 2 minutes, 4 seconds

We have to finish up the city thing first. So, we'll recess. Recess. All right. Come back.

1:02:11

1 hour, 2 minutes, 11 seconds

Rick, can you come up here? Matt,

1:02:15

1 hour, 2 minutes, 15 seconds

I believe these ladies with Blue River are probably waiting for you all for wait until after recess. That's also okay with that.

1:02:23

1 hour, 2 minutes, 23 seconds

I think we could probably sign it and get it to you at this point.

1:02:33

1 hour, 2 minutes, 33 seconds

It's hard to keep right here. How long will be here?

1:02:47

1 hour, 2 minutes, 47 seconds

If you can ask how much you want to hang out.

1:02:55

1 hour, 2 minutes, 55 seconds

I think he's Oh, okay. I'm not. Don't you worry.

1:03:00

1 hour, 3 minutes

We always bring copies just in case. We also emailed this ahead of time just so that if there's any questions on it,

1:03:09

1 hour, 3 minutes, 9 seconds

you might have a little bit of appreciation for what does she talk?

1:03:19

1 hour, 3 minutes, 19 seconds

Do you do you ever look at the watch another It's kind of hard to Oh, no.

1:03:42

1 hour, 3 minutes, 42 seconds

publicity.

1:03:46

1 hour, 3 minutes, 46 seconds

Today is the 21st to present day.

1:03:53

1 hour, 3 minutes, 53 seconds

We're right here. 21st. It's hard to collect.

1:04:05

1 hour, 4 minutes, 5 seconds

Do not hear.

1:04:17

1 hour, 4 minutes, 17 seconds

Nice seeing you. Nice seeing you. Hope we didn't scare you.

1:04:43

1 hour, 4 minutes, 43 seconds

does not say 124.

1:05:06

1 hour, 5 minutes, 6 seconds

actually

1:05:23

1 hour, 5 minutes, 23 seconds

big family.

1:05:50

1 hour, 5 minutes, 50 seconds

Just saying. Well, he's going to make it. He didn't make it. Oh, he didn't.

1:05:58

1 hour, 5 minutes, 58 seconds

Um I I keep the bookings on my phone. Yeah. The council minutes.

1:06:06

1 hour, 6 minutes, 6 seconds

So February 3rd, 2025 discussion that time as president of the council. I said we need to table it until we have more information.

1:06:17

1 hour, 6 minutes, 17 seconds

Right.

1:06:18

1 hour, 6 minutes, 18 seconds

Are you still recording during the recess? Yes.

1:06:22

1 hour, 6 minutes, 22 seconds

This is recording as well. And this is Yeah, this is recording. And even when it was for the 300 Right.

1:06:38

1 hour, 6 minutes, 38 seconds

April 7, 2020. And and she acknowledged that. Yeah. There's your date.

1:06:45

1 hour, 6 minutes, 45 seconds

I just had to look it up. I wasn't sure. I never discussed it, but I looked up. So, it is in the mail.

1:06:51

1 hour, 6 minutes, 51 seconds

Yes. Yeah, he just basically wanted to know when did the result.

1:06:57

1 hour, 6 minutes, 57 seconds

I think the important thing is we can't the in difference.

1:07:03

1 hour, 7 minutes, 3 seconds

We can't get approval. We can't tell the citizen if you're going to give us $100,000 for as an inind for a project.

1:07:10

1 hour, 7 minutes, 10 seconds

We can't say well let's take that for a vote. I mean what if that person wants to quietly put their money to the

1:07:17

1 hour, 7 minutes, 17 seconds

project? We can't make that public you know. So I think for the end times we just got to

1:07:24

1 hour, 7 minutes, 24 seconds

the gap is what's going to be the end times. It's somebody's phone. Phil's phone probably.

1:07:34

1 hour, 7 minutes, 34 seconds

It is. It's Phil's phone.

1:07:35

1 hour, 7 minutes, 35 seconds

Yeah. But I mean that's where the gap is and Yeah.

1:07:41

1 hour, 7 minutes, 41 seconds

1.5 to 1.7 is $200,000. So yeah, I'm in a meeting right now.

1:07:47

1 hour, 7 minutes, 47 seconds

I've got it all printed here. She apparently she's got too. No, it's public knowledge. I mean,

1:07:56

1 hour, 7 minutes, 56 seconds

we're just we're just late. Huh? What's your name? Language. How you doing, Rick? And your dad was principal at West?

1:08:03

1 hour, 8 minutes, 3 seconds

He was back in the late 60s, early 70s.

1:08:06

1 hour, 8 minutes, 6 seconds

Well, my dad was principal after Yes.

1:08:10

1 hour, 8 minutes, 10 seconds

Yeah. I was um I think we moved like maybe 72, 73, somewhere in there. We got here in 76.

1:08:19

1 hour, 8 minutes, 19 seconds

Okay.

1:08:20

1 hour, 8 minutes, 20 seconds

I think Well, it could have been, right? I mean, it could have been around that time. The high school.

1:08:26

1 hour, 8 minutes, 26 seconds

Yeah. Uh, yeah, that's what that Anyway, um, I'm Rhonda Green and I own Indiana Brown. Nice to meet you. Nice to meet you.

1:08:34

1 hour, 8 minutes, 34 seconds

How are you? Um, and we're still live streaming.

1:08:36

1 hour, 8 minutes, 36 seconds

These are my mics. Rhonda Rhonda's our favorite problem that we don't. She's good people.

1:08:47

1 hour, 8 minutes, 47 seconds

Um I'm just trying to stay in the rules as much as I can. I know. I know. She dumped you into something.

1:08:53

1 hour, 8 minutes, 53 seconds

Well, I'm just I'm here to call malls and try.

1:08:56

1 hour, 8 minutes, 56 seconds

Anyway, so um what I'm going to do different today because usually I just live stream it and go home and and

1:09:04

1 hour, 9 minutes, 4 seconds

relax. But tonight for today, I have a scanner.

1:09:09

1 hour, 9 minutes, 9 seconds

So all the papers that are up here I can scan in real time. I can put online.

1:09:15

1 hour, 9 minutes, 15 seconds

That's what I'm going to do after all these public records. I'm going to go ahead and scan. Okay.

1:09:23

1 hour, 9 minutes, 23 seconds

If I don't know I don't know if there's any No, there's nothing against that.

1:09:26

1 hour, 9 minutes, 26 seconds

No, no, no. I'm just saying I don't know if there's anything that needs to be retracted or anything like I I have no idea cuz I haven't looked at them.

1:09:32

1 hour, 9 minutes, 32 seconds

The claims and payroll and all the signatures and the minutes and and uh even his notes may be a great thing to go ahead and do.

1:09:39

1 hour, 9 minutes, 39 seconds

Yeah. I don't know. I don't know about that's up to them. Oh, well. No, it's kind of up to me, too.

1:09:46

1 hour, 9 minutes, 46 seconds

No, no, no. I mean, you can always go and make a public records request, those kind of things to get them.

1:09:51

1 hour, 9 minutes, 51 seconds

Right. So, like I've already requested and received um claims of payroll. Um and it cost me $1,000.

1:10:00

1 hour, 10 minutes

Yeah. Unfortunately.

1:10:01

1 hour, 10 minutes, 1 second

Right. Yeah. No, but now the thing is public information anyway. It should have been up online anyway.

1:10:07

1 hour, 10 minutes, 7 seconds

Yeah. No, no, I'm not going to argue that.

1:10:10

1 hour, 10 minutes, 10 seconds

Oh, I was just trying to understand where you're coming from. I'm not arguing anything for all. Okay.

1:10:15

1 hour, 10 minutes, 15 seconds

So, is there is there a statute that requires that that all those public records be made of available online?

1:10:21

1 hour, 10 minutes, 21 seconds

Oh, no, no, no. But I didn't know if that's what you were saying. Yeah. What they've done and we're not I'm going to have because

1:10:28

1 hour, 10 minutes, 28 seconds

in effect the the the documents are hard to deal with because they haven't been kept proper.

1:10:34

1 hour, 10 minutes, 34 seconds

You don't have dates and signatures on it. You don't This is not This is how I'm just listening. I'm just listening. I'm not I'm just listening.

1:10:40

1 hour, 10 minutes, 40 seconds

Yeah. the documents that I got that I paid $1,000 for don't aren't organized,

1:10:46

1 hour, 10 minutes, 46 seconds

aren't they don't have the signatures with the dates when they were signed.

1:10:50

1 hour, 10 minutes, 50 seconds

Um, they're just kind of like a pull off.

1:10:53

1 hour, 10 minutes, 53 seconds

So, by taking the stand after they've been signed by everybody present with video again,

1:11:03

1 hour, 11 minutes, 3 seconds

if they agree to it, that's okay.

1:11:06

1 hour, 11 minutes, 6 seconds

Don't It doesn't work that way. You can't I mean, how I appreciate what you're saying. I know Tony I know Tony wants it done.

1:11:13

1 hour, 11 minutes, 13 seconds

Yeah, I appreciate that. And if I think if the commissioners as a whole agree to it, I think that's that's fine. Okay.

1:11:20

1 hour, 11 minutes, 20 seconds

But if they don't, then I think there's that hate, right? Silly that you have to go do that. I think it's that public records request that you have to go through to get them at that point.

1:11:30

1 hour, 11 minutes, 30 seconds

But I'm not saying they won't agree.

1:11:32

1 hour, 11 minutes, 32 seconds

Again, I'm just calling balls and strikes.

1:11:34

1 hour, 11 minutes, 34 seconds

Right. Right. Right. But I'm just letting you know.

1:11:37

1 hour, 11 minutes, 37 seconds

Just letting you know that that's what I'm going to You're going to make that request at the end. Wipes it off. Okay. And live stream. Okay. I mean, you make it, right? Yeah.

1:11:44

1 hour, 11 minutes, 44 seconds

You can always make the request. I just don't know what they're going to do. Right. Right. We'll find out.

1:11:48

1 hour, 11 minutes, 48 seconds

Yeah. Yeah. Yeah. Yeah. Yeah. That's all I'm saying. I'm not saying anything else other than that.

1:12:07

1 hour, 12 minutes, 7 seconds

Thank you.

1:12:08

1 hour, 12 minutes, 8 seconds

I think there's changes, but I don't think very

1:12:20

1 hour, 12 minutes, 20 seconds

and they're going to have absolutely no living the dream every day.

1:12:30

1 hour, 12 minutes, 30 seconds

How are you? I'm Steve. This is nice to meet you, man.

1:12:34

1 hour, 12 minutes, 34 seconds

Yeah, I just keep it on my phone.

1:12:39

1 hour, 12 minutes, 39 seconds

Lord knows I could well I can't

1:12:46

1 hour, 12 minutes, 46 seconds

what we've done. So then I can scroll through there. Oh, you all right?

1:12:54

1 hour, 12 minutes, 54 seconds

Better than I deserve. Probably I just told him I said I'm living the dream, man. Living up in Camplesburg.

1:13:01

1 hour, 13 minutes, 1 second

I did not. We moved. I was probably 3,

1:13:04

1 hour, 13 minutes, 4 seconds

four years old when we moved. But uh my brothers, my brothers, I got a lot most of my brothers a lot older than I have. They had some fond memories.

1:13:15

1 hour, 13 minutes, 15 seconds

It was So it's a it's a twotory white house. You're driving like Spring Mill.

1:13:22

1 hour, 13 minutes, 22 seconds

It's on the left as you're going up and it's just almost outside the Camel. Yeah. Used to call Camelsburg. There's an opportunity.

1:13:29

1 hour, 13 minutes, 29 seconds

Oh, is that right? I can help. Oh, I didn't know that. They did say that. I didn't know that.

1:13:35

1 hour, 13 minutes, 35 seconds

I used to call it the garden spot of the world. Oh, yeah. Yeah.

1:13:40

1 hour, 13 minutes, 40 seconds

Yeah. No, my my brothers had some great memories from from living here. So, so it's fun for me. I always love here.

1:13:49

1 hour, 13 minutes, 49 seconds

It's a great area. It really It really is. It really is. So, um we're always trying. So, we bought John Meat's office,

1:13:59

1 hour, 13 minutes, 59 seconds

but We'd love to have a born and bred Washington County attorney to put there you guys.

1:14:08

1 hour, 14 minutes, 8 seconds

I I don't know anybody. That's iron girl. Yeah. Paige. Paige. Yeah, we got her.

1:14:13

1 hour, 14 minutes, 13 seconds

And I know her parents real well. I used to deal with They're good people.

1:14:17

1 hour, 14 minutes, 17 seconds

I was in the car business. Worked up here at 40 years. Just retired. But yeah, that that's good. She

1:14:25

1 hour, 14 minutes, 25 seconds

So she's training up. She just passed the bar. Yes. It's last year.

1:14:31

1 hour, 14 minutes, 31 seconds

Yeah, I think it was last year. No, but I know I came up for her party. Um, that's her. At the end of the day,

1:14:38

1 hour, 14 minutes, 38 seconds

we won her rug.

1:14:39

1 hour, 14 minutes, 39 seconds

Did you ever just Well, John mean for years and years and years was just kind of a staple.

1:14:46

1 hour, 14 minutes, 46 seconds

Oh, yeah. No, again, another good guy. John's good guy. So, yeah.

1:14:54

1 hour, 14 minutes, 54 seconds

But, uh, no, it's always fun for me. I know. We go to street. Not anymore,

1:14:59

1 hour, 14 minutes, 59 seconds

dude. If we have Kar and I got four kids. They're all growing up now, but back in the day, that was an easy place. Oh, yeah. And let them nice. Just turn them loose.

1:15:08

1 hour, 15 minutes, 8 seconds

Just go play. We need to see. Yeah. Okay. Yeah. Georgetown.

1:15:15

1 hour, 15 minutes, 15 seconds

Yes. I'm not too far away. You're not very far away. Okay.

1:15:20

1 hour, 15 minutes, 20 seconds

No, that's what they were all. Oh, you know, sorry. You make you drive. Oh, I care. I don't care. I don't care. It's right up the street. Have a nice drive. It's a great drive.

1:15:28

1 hour, 15 minutes, 28 seconds

Yeah. Went there about two months.

1:15:36

1 hour, 15 minutes, 36 seconds

It's nice. It's a nice It's a nice park.

1:15:39

1 hour, 15 minutes, 39 seconds

So, we get up there. I bet you we get up there at least once and we'll rent a shelter house or something and all the family will come

1:15:47

1 hour, 15 minutes, 47 seconds

up and we'll hang out for the day. It's always fun.

1:15:50

1 hour, 15 minutes, 50 seconds

It's getting harder. Kids getting older and get married and go on their own way.

1:15:54

1 hour, 15 minutes, 54 seconds

So much, you know, kids don't That's why I tell my kids all the time,

1:15:59

1 hour, 15 minutes, 59 seconds

you know, they they want to sit in the house, look at this thing,

1:16:04

1 hour, 16 minutes, 4 seconds

you know, I said, we had to create our own fun. We couldn't just pull that up and play a game or whatever. We had to go out in the yard.

1:16:12

1 hour, 16 minutes, 12 seconds

Well, there's nothing better than tramping along in the woods and take your mind off everything.

1:16:17

1 hour, 16 minutes, 17 seconds

And for me, I get to free mill. I don't get to service. Yeah. You can't you turkey? You turkey, huh?

1:16:24

1 hour, 16 minutes, 24 seconds

No. No, I almost hit one coming up. Me, too. Yeah. I've got They're on the move. They're everywhere.

1:16:32

1 hour, 16 minutes, 32 seconds

Yeah, they are everywhere. Are you out there murdering the turkey?

1:16:40

1 hour, 16 minutes, 40 seconds

I've got a bunch. I got the other day.

1:16:44

1 hour, 16 minutes, 44 seconds

I told Shelonburg I said, "Hey, you don't have to go to the woods." No. Who come up right here? Yeah.

1:16:51

1 hour, 16 minutes, 51 seconds

Go in the house, use the bathroom. Coffee's in there. Oh yeah, I can't.

1:16:58

1 hour, 16 minutes, 58 seconds

I passed a bunch on the way up just down the field. Run across the road in front of me. Wasn't any hurry.

1:17:06

1 hour, 17 minutes, 6 seconds

Turkey.

1:17:07

1 hour, 17 minutes, 7 seconds

I don't know. I don't When is turkey season? I don't know when turkey season anytime you want. Shoot them. Shoot.

1:17:16

1 hour, 17 minutes, 16 seconds

Yeah. Could be. They are out and about. You know John. Oh yeah. You know,

1:17:24

1 hour, 17 minutes, 24 seconds

he's er He gets all the gunshots in Louisville

1:17:32

1 hour, 17 minutes, 32 seconds

and he come out. Isaac got one and he was going to do an English mount on the deer.

1:17:39

1 hour, 17 minutes, 39 seconds

Well, they come out after he shot it. You lose a clean drive home.

1:17:50

1 hour, 17 minutes, 50 seconds

They impounded goddamn deer. Now this is [__] They lost it.

1:17:59

1 hour, 17 minutes, 59 seconds

I mean technically he didn't do nothing.

1:18:04

1 hour, 18 minutes, 4 seconds

But that's what they got him.

1:18:10

1 hour, 18 minutes, 10 seconds

My name was on my horse. That's a while.

1:18:23

1 hour, 18 minutes, 23 seconds

He's a good he all.

1:18:42

1 hour, 18 minutes, 42 seconds

Crawford. I finally found him. He's in Fort Wayne.

1:18:47

1 hour, 18 minutes, 47 seconds

He was from us.

1:18:53

1 hour, 18 minutes, 53 seconds

We used to meet every

1:19:10

1 hour, 19 minutes, 10 seconds

well.

1:19:12

1 hour, 19 minutes, 12 seconds

We've never met, but I've heard I love your shirt. Gary and I were just talking. We went to see Billy Go and uh Elton John in Indianapolis.

1:19:23

1 hour, 19 minutes, 23 seconds

Yeah. At the same concert. So, one came out and played then the other came out and played and at the end they had dual piano played. Yeah. It was awesome.

1:19:39

1 hour, 19 minutes, 39 seconds

Who was that? It was in I think it was in Indiana.

1:19:45

1 hour, 19 minutes, 45 seconds

Was it really? Cuz that sounds It sounds like something I would have gone to had. Yeah. Yeah. It was there. Yeah. This was fun. Oh, it was that. Yeah.

1:19:53

1 hour, 19 minutes, 53 seconds

But hey, so I'm My name is Nathan Smith with the Washington County. Okay.

1:19:58

1 hour, 19 minutes, 58 seconds

And so I know that we were recently probably. Did you talk to Paige?

1:20:06

1 hour, 20 minutes, 6 seconds

Yeah.

1:20:07

1 hour, 20 minutes, 7 seconds

Okay. And we had I had a sit down with her. Jason and I had a sit down with her yesterday. Okay. I couldn't make it. I had to be somewhere.

1:20:18

1 hour, 20 minutes, 18 seconds

Yeah. I don't Okay. I just wanted to introduce myself and see if there were any.

1:20:26

1 hour, 20 minutes, 26 seconds

Yes.

1:20:27

1 hour, 20 minutes, 27 seconds

She's been She was She said you do everything. You're everywhere is what she said. I am everywhere. That's what she said.

1:20:34

1 hour, 20 minutes, 34 seconds

Yeah. I mean, we're we're just a shoe man outfit, so we kind of both wear.

1:20:41

1 hour, 20 minutes, 41 seconds

Yeah. Well, we're really at the end of the day, we've got John's mom coming off and we love

1:20:50

1 hour, 20 minutes, 50 seconds

to be her home base, you know what I mean?

1:20:53

1 hour, 20 minutes, 53 seconds

And so, we've been talking about to her about maybe getting together a I don't know, small group of professionals,

1:20:59

1 hour, 20 minutes, 59 seconds

things like that. I think she may have maybe have talked to you.

1:21:02

1 hour, 21 minutes, 2 seconds

But we've been talking about doing some of those things up here just to get her out in the community, get her known and I know people probably know her family,

1:21:09

1 hour, 21 minutes, 9 seconds

but just making she's always been she and yeah, just just a great person.

1:21:18

1 hour, 21 minutes, 18 seconds

Oh, she's she's just terrible and she is 20 years younger than me and puts me in my place on a regular basis. That's perfectly I can see that.

1:21:27

1 hour, 21 minutes, 27 seconds

Oh, yeah. She does. She does.

1:21:29

1 hour, 21 minutes, 29 seconds

Yeah. No, she's good. It was great meeting. It's awesome to meet you, too. Well, I just question.

1:21:35

1 hour, 21 minutes, 35 seconds

I'll tell her. I'll tell when I get back if I can track her down. I'll tell her we ran into each other.

1:21:40

1 hour, 21 minutes, 40 seconds

Yeah. It's great to meet you. Thanks for coming up. I appreciate it. I'm just giving you this before. That's okay. So,

1:21:48

1 hour, 21 minutes, 48 seconds

did you sitting here to the council member and finance for all the spitting?

1:22:00

1 hour, 22 minutes

CD isn't true. Nancy, do I get one last?

1:22:05

1 hour, 22 minutes, 5 seconds

Don't you read the whole Don't give him. You're making a mistake.

1:22:12

1 hour, 22 minutes, 12 seconds

Is there anybody here?

1:22:15

1 hour, 22 minutes, 15 seconds

Well, there's I I don't I'm not sure if he's going to be in that meeting. That's why I'm

1:22:23

1 hour, 22 minutes, 23 seconds

saying Let me just Yeah. Okay. Thank you.

1:22:30

1 hour, 22 minutes, 30 seconds

Thank you. Thank you. Have you drove a new over there?

1:22:34

1 hour, 22 minutes, 34 seconds

I have actually. Um I came back last night from uh

1:22:46

1 hour, 22 minutes, 46 seconds

my stuff on

1:22:54

1 hour, 22 minutes, 54 seconds

my Indiana.

1:23:08

1 hour, 23 minutes, 8 seconds

Say it again. I'm thinking I'm sorry. You want me to sit right there? I want you to sit.

1:23:12

1 hour, 23 minutes, 12 seconds

You want me Do you want me to go up in the office? No. Right now. Just sit right there.

1:23:28

1 hour, 23 minutes, 28 seconds

I saw that. I saw that he's a little bit but is taking a vacation when he has small children. What is wrong with him?

1:23:38

1 hour, 23 minutes, 38 seconds

[clears throat]

1:23:39

1 hour, 23 minutes, 39 seconds

I saw that.

1:23:42

1 hour, 23 minutes, 42 seconds

Thank god we need more. We need more genders. Hello.

1:23:50

1 hour, 23 minutes, 50 seconds

How are you? We just did. We just did.

1:23:57

1 hour, 23 minutes, 57 seconds

We just did. Nobody's ever going to scan.

1:24:12

1 hour, 24 minutes, 12 seconds

I don't have time for that.

1:24:13

1 hour, 24 minutes, 13 seconds

Then I would

1:24:27

1 hour, 24 minutes, 27 seconds

Well, that's what she Yeah.

1:24:41

1 hour, 24 minutes, 41 seconds

Oh, fantastic.

1:24:58

1 hour, 24 minutes, 58 seconds

I mean, try to cipher it out. What's going to happen?

1:25:01

1 hour, 25 minutes, 1 second

We're in recess. They taught me off to see if they got me.

1:25:11

1 hour, 25 minutes, 11 seconds

So it could be well I mean we got this meeting then we got

1:25:21

1 hour, 25 minutes, 21 seconds

out and I know it's not

1:25:32

1 hour, 25 minutes, 32 seconds

no that's right we after this week oh man

1:25:38

1 hour, 25 minutes, 38 seconds

$4 more River.

1:25:56

1 hour, 25 minutes, 56 seconds

Well, you didn't study yet.

1:26:00

1 hour, 26 minutes

That's what I told knowing this was coming knowing X was coming.

1:26:07

1 hour, 26 minutes, 7 seconds

And that's why I wanted somebody with authority. I can understand.

1:26:11

1 hour, 26 minutes, 11 seconds

You can trust that guy there. You can trust that guy back there in the gray shirt. He used to be president of council.

1:26:20

1 hour, 26 minutes, 20 seconds

I asked for it last last year.

1:26:23

1 hour, 26 minutes, 23 seconds

You don't have problems with this. You don't have problems with him on the other one over here. They got problems.

1:26:29

1 hour, 26 minutes, 29 seconds

I think it's 200 plus. Have you started drinking yet?

1:26:40

1 hour, 26 minutes, 40 seconds

So, how do you get rid of these?

1:26:52

1 hour, 26 minutes, 52 seconds

I knock it off. Would you run over and jump on it?

1:26:56

1 hour, 26 minutes, 56 seconds

That's probably she wants to come up and what gives her.

1:27:13

1 hour, 27 minutes, 13 seconds

No, that's the first I've heard of it.

1:27:21

1 hour, 27 minutes, 21 seconds

Fine. That's the That's the proper

1:27:38

1 hour, 27 minutes, 38 seconds

We just need to have internal meeting sometime. Yeah.

1:27:51

1 hour, 27 minutes, 51 seconds

These things. We used to have a different stuff. And then the other guy did too.

1:27:58

1 hour, 27 minutes, 58 seconds

I mean, I told him, I said, "Whenever you want to float around pictures, that's okay.

1:28:13

1 hour, 28 minutes, 13 seconds

They always ask she don't do that's what I'm saying.

1:28:31

1 hour, 28 minutes, 31 seconds

Well,

1:28:33

1 hour, 28 minutes, 33 seconds

her her tape go you can make it out what it says.

1:28:40

1 hour, 28 minutes, 40 seconds

Well, that's that's why we pushed out this sometimes. That ain't very good either. Yeah.

1:28:47

1 hour, 28 minutes, 47 seconds

But was him objecting objecting?

1:28:53

1 hour, 28 minutes, 53 seconds

He's going to object that if there's I'm trying to figure out what it is, right?

1:28:59

1 hour, 28 minutes, 59 seconds

He was specific. What is Well, he he don't have it.

1:29:05

1 hour, 29 minutes, 5 seconds

Well, I don't want to try to put him on the plate in April. April's not good. I really don't know. I don't like authority from women.

1:29:13

1 hour, 29 minutes, 13 seconds

I really seen things here today just like with you with Jennifer and with the Lucy

1:29:23

1 hour, 29 minutes, 23 seconds

Brent deal here. But they was a thing come out here a while back. She was supposed to apologize last week,

1:29:30

1 hour, 29 minutes, 30 seconds

but I haven't heard that. But that's all that we had time.

1:29:54

1 hour, 29 minutes, 54 seconds

That's what he's talking about. Just giving you the reminder.

1:30:03

1 hour, 30 minutes, 3 seconds

Yeah.

1:30:15

1 hour, 30 minutes, 15 seconds

Have you heard anything on the auction?

1:30:19

1 hour, 30 minutes, 19 seconds

No, he has my number. But we go ahead with

1:30:42

1 hour, 30 minutes, 42 seconds

It can and it has kind of flow.

1:30:48

1 hour, 30 minutes, 48 seconds

People got a right to say what they want. That's my understanding.

1:31:06

1 hour, 31 minutes, 6 seconds

Huh? Come to these meetings. Why? Yeah.

1:31:14

1 hour, 31 minutes, 14 seconds

They want to make their motion and we've got a what's what is it? or something if they want to make that.

1:31:33

1 hour, 31 minutes, 33 seconds

When is that?

1:31:44

1 hour, 31 minutes, 44 seconds

That's what I told him.

1:31:59

1 hour, 31 minutes, 59 seconds

Yeah, I'm surprised. doing that. providers.

1:32:14

1 hour, 32 minutes, 14 seconds

I think providers love them.

1:32:28

1 hour, 32 minutes, 28 seconds

I like it, you know. So, how you like living the second?

1:32:40

1 hour, 32 minutes, 40 seconds

I like it. Closer to the store. Closer. Yeah.

1:32:57

1 hour, 32 minutes, 57 seconds

We're not Where' she go to

1:33:12

1 hour, 33 minutes, 12 seconds

her mom?

1:33:13

1 hour, 33 minutes, 13 seconds

Yeah, I forgot to

1:33:22

1 hour, 33 minutes, 22 seconds

take care of how they survive.

1:33:30

1 hour, 33 minutes, 30 seconds

I got my barn marks come back uh last week.

1:33:37

1 hour, 33 minutes, 37 seconds

How many birds showed up?

1:33:40

1 hour, 33 minutes, 40 seconds

Suddenly starting to come in. I got six. I got seven.

1:33:50

1 hour, 33 minutes, 50 seconds

I got I got I have more boards put in. Yeah.

1:33:57

1 hour, 33 minutes, 57 seconds

They're good ones. I got bit.

1:34:08

1 hour, 34 minutes, 8 seconds

No, I don't know what it got me on the back of this arm. Got that hand. The whole thing's swled up. I didn't have knock skin turn.

1:34:21

1 hour, 34 minutes, 21 seconds

I don't know what it will be. Black bug that suck. Got

1:34:28

1 hour, 34 minutes, 28 seconds

[clears throat]

1:34:31

1 hour, 34 minutes, 31 seconds

I squished him when I did. Blood shot out. Yeah. Yeah. What are they?

1:34:40

1 hour, 34 minutes, 40 seconds

I've never had them before.

1:34:49

1 hour, 34 minutes, 49 seconds

All right. Hey, Bill.

1:34:54

1 hour, 34 minutes, 54 seconds

Yeah. Is there a way you got jammer up there? All right.

1:35:20

1 hour, 35 minutes, 20 seconds

My I'm not there needs to be a wrapar.

1:35:50

1 hour, 35 minutes, 50 seconds

Some of the past we had council members

1:36:30

1 hour, 36 minutes, 30 seconds

kept inside, you know. He he might

1:36:47

1 hour, 36 minutes, 47 seconds

car. Let me get the spark driver.

1:36:59

1 hour, 36 minutes, 59 seconds

That's what that's So in my world, I have my office that's

1:37:10

1 hour, 37 minutes, 10 seconds

private, but I have

1:37:13

1 hour, 37 minutes, 13 seconds

[clears throat]

1:37:22

1 hour, 37 minutes, 22 seconds

Bill, what time's the next meeting? What time's the next meeting? Well, we've waited till 10:15.

1:37:31

1 hour, 37 minutes, 31 seconds

You've got other meetings coming up and especially you got an SDOA meeting at some point.

1:37:35

1 hour, 37 minutes, 35 seconds

We got a uh mine only take 10 minutes. Okay. For the board of finance. So,

1:37:43

1 hour, 37 minutes, 43 seconds

no, that's what I'm saying. Yeah, you can't because this one's recess. We got to finish this one and you're the next one. and we got hers

1:37:51

1 hour, 37 minutes, 51 seconds

and then the SOA of 11. Just be cognizant of the time. I mean, it's at some point you can bring the meeting

1:37:59

1 hour, 37 minutes, 59 seconds

back and you can vote contingent on the city being the highest bidder.

1:38:06

1 hour, 38 minutes, 6 seconds

There's nothing uneth It's not unethical to do that. It's okay. So,

1:38:13

1 hour, 38 minutes, 13 seconds

can we

1:38:24

1 hour, 38 minutes, 24 seconds

I didn't know if your timing issue the other other appointment you got other meetings coming up that was going to be an issue. I'm here till I've got lunch.

1:38:32

1 hour, 38 minutes, 32 seconds

That would have been the simplest thing to do just simply running.

1:38:40

1 hour, 38 minutes, 40 seconds

All right.

1:38:41

1 hour, 38 minutes, 41 seconds

Cuz your SPOA meeting's at 11:00 and you got to clear the gallery for the SPA meeting.

1:38:49

1 hour, 38 minutes, 49 seconds

around. All right.

1:38:51

1 hour, 38 minutes, 51 seconds

On the next page, can you put everybody that's here? We don't have to put the audience.

1:38:57

1 hour, 38 minutes, 57 seconds

We'll stop the still here. Get on with this.

1:39:00

1 hour, 39 minutes

So, the motion is for and I don't have it here in front of me. whatever the order it's in. Um, just it's contingent

1:39:08

1 hour, 39 minutes, 8 seconds

upon and I would explain why you're coming back from recess because you're running

1:39:15

1 hour, 39 minutes, 15 seconds

up against time because the gallery has to be cleared for the SBA and that's in 20 minutes.

1:39:31

1 hour, 39 minutes, 31 seconds

I've been to those tax sales. You never know. Oh, yeah.

1:39:35

1 hour, 39 minutes, 35 seconds

You never know when you're going up or how long it's going to take.

1:39:49

1 hour, 39 minutes, 49 seconds

So, can we not?

1:40:01

1 hour, 40 minutes, 1 second

No, no, no.

1:40:18

1 hour, 40 minutes, 18 seconds

Oh, here they are.

1:40:26

1 hour, 40 minutes, 26 seconds

[clears throat]

1:40:28

1 hour, 40 minutes, 28 seconds

Okay. Oh yeah.

1:40:48

1 hour, 40 minutes, 48 seconds

All right, let's call the meeting back to order.

1:40:51

1 hour, 40 minutes, 51 seconds

Mark, would you I can't turn this

1:41:07

1 hour, 41 minutes, 7 seconds

Well, gentlemen, we're back and ladies,

1:41:10

1 hour, 41 minutes, 10 seconds

uh, we're back and we have a recorded deed in the town in the grtors in the name of the city of Salem. So, City of Salem now owns the property.

1:41:22

1 hour, 41 minutes, 22 seconds

Now, do I have a motion? All right, I'll make a motion [clears throat] that we wave the delinquent taxes for the property and move forward for the sake

1:41:30

1 hour, 41 minutes, 30 seconds

of time since we will be filling the gallery with two other meetings here back to back.

1:41:38

1 hour, 41 minutes, 38 seconds

Have a second.

1:41:39

1 hour, 41 minutes, 39 seconds

Yeah, seeing that it's all

1:41:40

1 hour, 41 minutes, 40 seconds

[clears throat]

1:41:41

1 hour, 41 minutes, 41 seconds

legal now on their behalf, I will second that motion. All in favor say I. I.

1:41:47

1 hour, 41 minutes, 47 seconds

I. Thank you very much. We'll get out of your way. Have a good day. You too. Motion to adjurnn.

1:41:55

1 hour, 41 minutes, 55 seconds

Did we vote on the plan making you the project? There's no motion on the table.

1:42:00

1 hour, 42 minutes

We're We're 20 We're 15 minutes late for another meeting here. Motion to adjourn. Second.

1:42:08

1 hour, 42 minutes, 8 seconds

All in favor say I. I. I. Motion carries. Nancy ready. You ready?

1:42:14

1 hour, 42 minutes, 14 seconds

I would like to call to order the Washington County Board of Finance meeting for April 21st, 2026.

1:42:21

1 hour, 42 minutes, 21 seconds

I'll do roll call for the board of finance. Philip Marshall, hi.

1:42:26

1 hour, 42 minutes, 26 seconds

Todd Euing here.

1:42:28

1 hour, 42 minutes, 28 seconds

Tony Cardwell here.

1:42:29

1 hour, 42 minutes, 29 seconds

Nancy Coats. I'm here. I would like to welcome everyone else in attendance. We have a certificate of deposit for $1

1:42:36

1 hour, 42 minutes, 36 seconds

million that will be maturing on May 1st of this year. I have quotes from several banks and you have copies in front of you in your folders.

1:42:46

1 hour, 42 minutes, 46 seconds

Um, I requested quotes from the following Washington County banks. First Savings Bank, First Savings Bank Wealth

1:42:53

1 hour, 42 minutes, 53 seconds

Management, Centra Credit Union, First Harrison Bank, Beacon Credit Union,

1:42:58

1 hour, 42 minutes, 58 seconds

formerly known as Mids, and PNC Bank. I received quotes from every bank except PNC Bank. They did not respond to my

1:43:06

1 hour, 43 minutes, 6 seconds

email requests for quotes. The options that look, if you look in your folders,

1:43:12

1 hour, 43 minutes, 12 seconds

um the options that look most favorable for our county at this time are from First Savings Bank Wealth Management.

1:43:18

1 hour, 43 minutes, 18 seconds

First Savies Bank Wealth Management had a quote of 3.95 for 18 months and 24 months, which was higher than the other

1:43:26

1 hour, 43 minutes, 26 seconds

banks. Centure Credit Union had a higher quote of 3.93 on 6 months and 4.07 on 12

1:43:34

1 hour, 43 minutes, 34 seconds

months. Now, we do have 10 days before this actually matures. So, the fle the rates could still fluctuate. And what I

1:43:42

1 hour, 43 minutes, 42 seconds

usually do when we get closer to that date of May 1st, I call all the banks and get their updated quotes and then

1:43:50

1 hour, 43 minutes, 50 seconds

make my decision on who's the most favorable for us. Um, I would like to open the floor up discussions so we can

1:43:58

1 hour, 43 minutes, 58 seconds

talk about what terms that we're going to do this 1 million for again in the future. So, the floor is open.

1:44:09

1 hour, 44 minutes, 9 seconds

Well, sticking with the uh the pattern of our investments in these

1:44:16

1 hour, 44 minutes, 16 seconds

CDs as they come due, given the fact that we have a $1.25 million CD coming due in September of this year.

1:44:30

1 hour, 44 minutes, 30 seconds

I would strongly suggest we take the best rate that we received from First Savings Bank

1:44:39

1 hour, 44 minutes, 39 seconds

at 3.9 5 and mine [snorts] says 3.9, but that's fine.

1:44:48

1 hour, 44 minutes, 48 seconds

3.95, we'll take it and renew that CD for 12 months

1:44:54

1 hour, 44 minutes, 54 seconds

would be my suggestion. Well, since your credit union's higher on the quote for 12 months at 4.07, if you wanted to do

1:45:03

1 hour, 45 minutes, 3 seconds

12 months, the longer term rates is where First Bank's wealth management

1:45:10

1 hour, 45 minutes, 10 seconds

is higher than all the other banks for the 18 and 24 months. So, you've got something on the table that you want to do it for 12 months this time.

1:45:21

1 hour, 45 minutes, 21 seconds

Watch it then. Now,

1:45:23

1 hour, 45 minutes, 23 seconds

well, if you look at your sheet that's in there, Tony, top one there,

1:45:27

1 hour, 45 minutes, 27 seconds

the top one that's in orange, it was a 12 month. A lot of times if the rates are higher, um, rates have been fluctuating so much.

1:45:35

1 hour, 45 minutes, 35 seconds

I mean, they were in the fives, which was wonderful when we first started doing our investments, but now we have this catalyst where they're going up and down all the time. So,

1:45:48

1 hour, 45 minutes, 48 seconds

um, we would have that 12 month CD that's coming up due, right? Correct. It matures on May 1st.

1:45:55

1 hour, 45 minutes, 55 seconds

Okay. And the higher rate for a 12 month is with Centra. Correct.

1:46:00

1 hour, 46 minutes

With Centra for a 12 month, but I always look at the other one's 3.95 and we could get it for up to 24 months, you

1:46:09

1 hour, 46 minutes, 9 seconds

know, and lock in that rate. But or I mean accessibility and all that,

1:46:16

1 hour, 46 minutes, 16 seconds

you know, and diversity spreading the uh the finances around with the county. I mean, I would wouldn't would see that uh

1:46:26

1 hour, 46 minutes, 26 seconds

maybe we keep it a 12 month would be my opinion seeing that that's what it's coming out of and invest which whichever banks the highest for us.

1:46:39

1 hour, 46 minutes, 39 seconds

And like Todd mentioned, we do have another one for 1.25 million um that will mature in September of this year also, which is also a 12 month.

1:46:51

1 hour, 46 minutes, 51 seconds

No, it's a 24 month 9. Oh, yes. Okay. [snorts]

1:47:00

1 hour, 47 minutes

We have another meeting between now and then to take care of that one.

1:47:03

1 hour, 47 minutes, 3 seconds

Yes. I always have a meeting with the board of finance before uh investment matures. Okay.

1:47:20

1 hour, 47 minutes, 20 seconds

And again, like I said, the rates could change between the 10 days that we're in. Um, and I will follow up with all the banks, but I just want to get an

1:47:29

1 hour, 47 minutes, 29 seconds

idea from the board of finance what term we're wanting to use. And then I'll follow up with you all via email if the

1:47:36

1 hour, 47 minutes, 36 seconds

rates have changed and let you know what bank I'm going with based on that term and the highest rate that's available 10 days from now.

1:47:47

1 hour, 47 minutes, 47 seconds

Okay. Okay, I'll just make a motion to do what we have done the past five or six years and we allow the president of

1:47:55

1 hour, 47 minutes, 55 seconds

the board of finance, which is Nancy the coach, the treasure,

1:48:00

1 hour, 48 minutes

at her discretion to pull the trigger on a 12-month CD at the highest rate.

1:48:10

1 hour, 48 minutes, 10 seconds

I agree. I agree, too.

1:48:12

1 hour, 48 minutes, 12 seconds

So, we've got two seconds. Any further discussion for doing a 12-month term and we'll do it for the highest rate that's

1:48:20

1 hour, 48 minutes, 20 seconds

available 10 days from now. Any further discussion? All in favor?

1:48:26

1 hour, 48 minutes, 26 seconds

I I opposed.

1:48:29

1 hour, 48 minutes, 29 seconds

Motion passes to accept a 12-month investment at the best rate possible.

1:48:34

1 hour, 48 minutes, 34 seconds

My meeting is going to be pretty short and sweet, but are there any other items that need to be discussed today?

1:48:42

1 hour, 48 minutes, 42 seconds

I think you've done a great job.

1:48:45

1 hour, 48 minutes, 45 seconds

Okay, I will accept a motion for adjournment. So move. Second. All in favor say I. I. I. Most carry.

1:48:53

1 hour, 48 minutes, 53 seconds

Thank you all very much. Thank you, N.

1:48:58

1 hour, 48 minutes, 58 seconds

You guys need to get really

1:49:06

1 hour, 49 minutes, 6 seconds

good. I don't know. Couldn't I'm
