Due to a lack of quorum of Plan Commission members, the business session of the meeting was postponed until the November meeting.

There was not any business to be conducted by the BZA.

Plan Director Travis Elliott reported on the issue of a mailing address vs. a physical address for a confined feeding operation permit. Discussion was held regarding when to obtain a 911 address for a CFO. After discussion, it was recommended that a 911 address be assigned to a CFO within thirty (30) days after approval of the application.

A question was raised if there should be a time limit for an approved permit for building a structure so that if the building is not constructed within a certain time period, the permit would expire.

The Plan Commission reviewed the Harrison County Ordinance by general discussion.

Upon motion by William Ridgway, second by Ervin Day, the meeting adjourned at 8:25 p.m.
